Academic Standards Committee (Rinetta Early): Rinetta reported that there are some concerns about BP 4250 Academic Probation Dismissal and Readmission and AP 4255 Dismissal, and how the language in each of them does not match, and also the College is out of compliance with the current language. There was senator consensus that the language should be reconciled and the BP/AP will be sent back to the counselors.
Governance Committees: Senator Cady reported on the Facilities Planning Committee meeting. The LC building will be vacated for construction Spring of 2020 instead of Fall 2019, Fusselman Hall will not have classes scheduled in it starting Fall 2019, before its retrofit. The trailers that will be put on the KTD campus to get ready for the LC construction are expected to arrive in June 2019, and the Jonas Center at IVC design has been approved and there will be a ground-breaking ceremony in the near future. On March 4th, the College will make presentations on the architect and engineering plans for the LC design, and on March 7th, the College will make presentations on the construction. There will be a large committee formed to choose the firms. Senator Cady also was asked by M&O to spread the word about instructors not putting the bottom of their shoes on the wall under the whiteboards, as it costs extra to have the walls repainted. President Pasquel reported that PRAC met and heard two division presentations from Kinesiology and Community Ed/International Students/Intensive English.
