APPROPRIATENESS TO COLLEGE OF MARIN MISSION

- Address proposal goals and objectives:
 - Clear transfer pathway to UC and CSU
 - College gains a Certificate award
 - Students gain a Certificate of Achievement for work completed (no additional requirements)
 - Streamlines certification process for students (and enrollment services)
 - Once IGETC is posted on transcripts, the student is certified and a separate IGETC attachment is NOT required! –Sheldon
- Appropriate level: Certificate of Achievement of lower-division general education to either the CSU or UC systems.

DEMONSTRABLE NEED

- Students (especially UC-bound) are already completing the requirements but sometimes don't complete a degree. This gives them a Certificate of Achievement to show for their work.
- Fits with current curriculum and is evidence of a GE transfer pathway
- Due to high volume of curriculum changes regarding GE patterns and GE requirements within patterns, these COAs can be used as a mechanism to ensure students receive certification once they complete general education, even if they do not transfer immediately.
- Similar Programs: IGETC & CSU GE Breadth COAs offered at other CCCs (SRJC, BCC, NVC, etc.)

CURRICULUM STANDARDS

- Program design:
 - Courses: CSU GE and IGETC courses are approved by the UCOP & CSU Chancellors Office
 - Course sequence: individualized based on student goal (transfer major and institution)
 - Time to completion: FT students within 4 semesters, but no time limit (must follow catalog rights)

RESOURCES

- Adequate resources: service units, equipment, qualified faculty, learning resources, sustainability
 - No additional resources (we already offer all courses and offer GE Certification for both CSU GE Breadth and IGETC)
 - Course options are offered every semester
 - Additional work for Counseling and Enrollment Services (both support the COAs)
