## Grading and Academic Record Symbols

### Evaluative Symbols

A	Excellent (Grade point value shall be 4.0)
A-	(Grade point value shall be 3.7)
B+	(Grade point value shall be 3.3)
B	Good (Grade point value shall be 3.0)
B-	(Grade point value shall be 2.7)
C+	(Grade point value shall be 2.3)
C	Satisfactory (Grade point value shall be 2.0)
D+	(Grade point value shall be 1.3)
D	Less than satisfactory (Grade point value shall be 1.0)
D-	(Grade point value shall be 0.7)
F+	(Grade point value shall be 0.3)
F	Failing (Grade point value shall be 0.0)
FW	Failing Withdraw indicates that a student has both ceased participating in a course sometime after the last day to officially withdraw from the course without having achieved a final passing grade, and that the student has not received District authorization to withdraw from the course under extenuating circumstances.
P	Passing (At least satisfactory – units awarded not counted in GPA)
NP	No Pass (Less than satisfactory, or failing – units not counted in GPA)
SP	Satisfactory Progress towards completion of the course (Used for non-credit courses only and is not supplanted by any other symbol.)

### Non-Evaluative Symbols

I	Incomplete: An incomplete grade may be assigned to a student who cannot complete a small portion of the required academic work for justifiable emergencies or unforeseeable reasons at the end of the semester. This will result in an "I" symbol being entered in the student's record. The decision to give an Incomplete rests solely with the instructor. A student who receives an Incomplete must make arrangements with the instructor and must make up the work no later than one semester following the end of the semester in which the "I" was assigned, (excluding summer sessions). Faculty should use the <a href="#">Incomplete Requirement Form</a> to document the outstanding requirements for their files.
---	---

**Incomplete grades should never be assigned to students without their knowledge of the requirements for resolving the grade.**

IP	In progress: The "IP" symbol shall be used only in those courses which extend beyond the normal end of an academic term. It indicates that work is "in progress," but that assignment of an evaluative symbol (grade) must await its completion. The "IP" symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student's permanent record for the term in which the course is completed.
